ACTION PLAN REPORT

The College Feedback Committee, PDUAM Dalgaon collected feedbacks from students, alumni, teachers and employers for the session 2022-2023. Feedback report corresponding to students, alumni, teachers and employers have been prepared. And the necessary actions taken to address the shortcomings indicated from the overall feedbacks are provided below:

1. Based on the feedback to further improve the college infrastructure related to laboratory equipment's, a letter has been issued to DHE, Assam with reference no. PDUAMD-01/DHE/2023/23 dated 03/07/2023 to provide necessary laboratory infrastructure to the college.
2. Concern has been raised through feedbacks on timely cleaning the college classroom and washrooms. As there is only one temporary cleaning staff, therefore, a letter has been issued to Governing Body, PDUAM Dalgaon with reference no. PDUAMD-19/2020-21/199 dated 12/07/2023 to make provisions for a greater number of cleaning staff in the college.
3. In order to upgrade the library facility, necessary action has been taken to add more books to the college library. The book list received from the respective departments have already been sent for procurement.
4. To inculcate a holistic environment, the teachers are motivated to provide mentoring/guidance on academic as well as on any other related matter.
5. Regarding the use of ICT tools, the teachers are informed to increase the use of ICT in the teaching learning process. Further, resolution has been taken to increase the number of smart classrooms in the college.
6. Few students are irregular in their classes and it is largely attributed due to lack of hostel facility. Therefore, the college is going to open hostel facility for boys and girls at the earliest.
7. As the college do not have teacher's common room, allocation of common room is under process in the newly constructed building.
