**DEPARTMENT WISE STUDENT FEEDBACK
ON INDIVIDUAL TEACHERS FOR THE
SESSION 2021-2022**

(Along with counselling report by Principal)

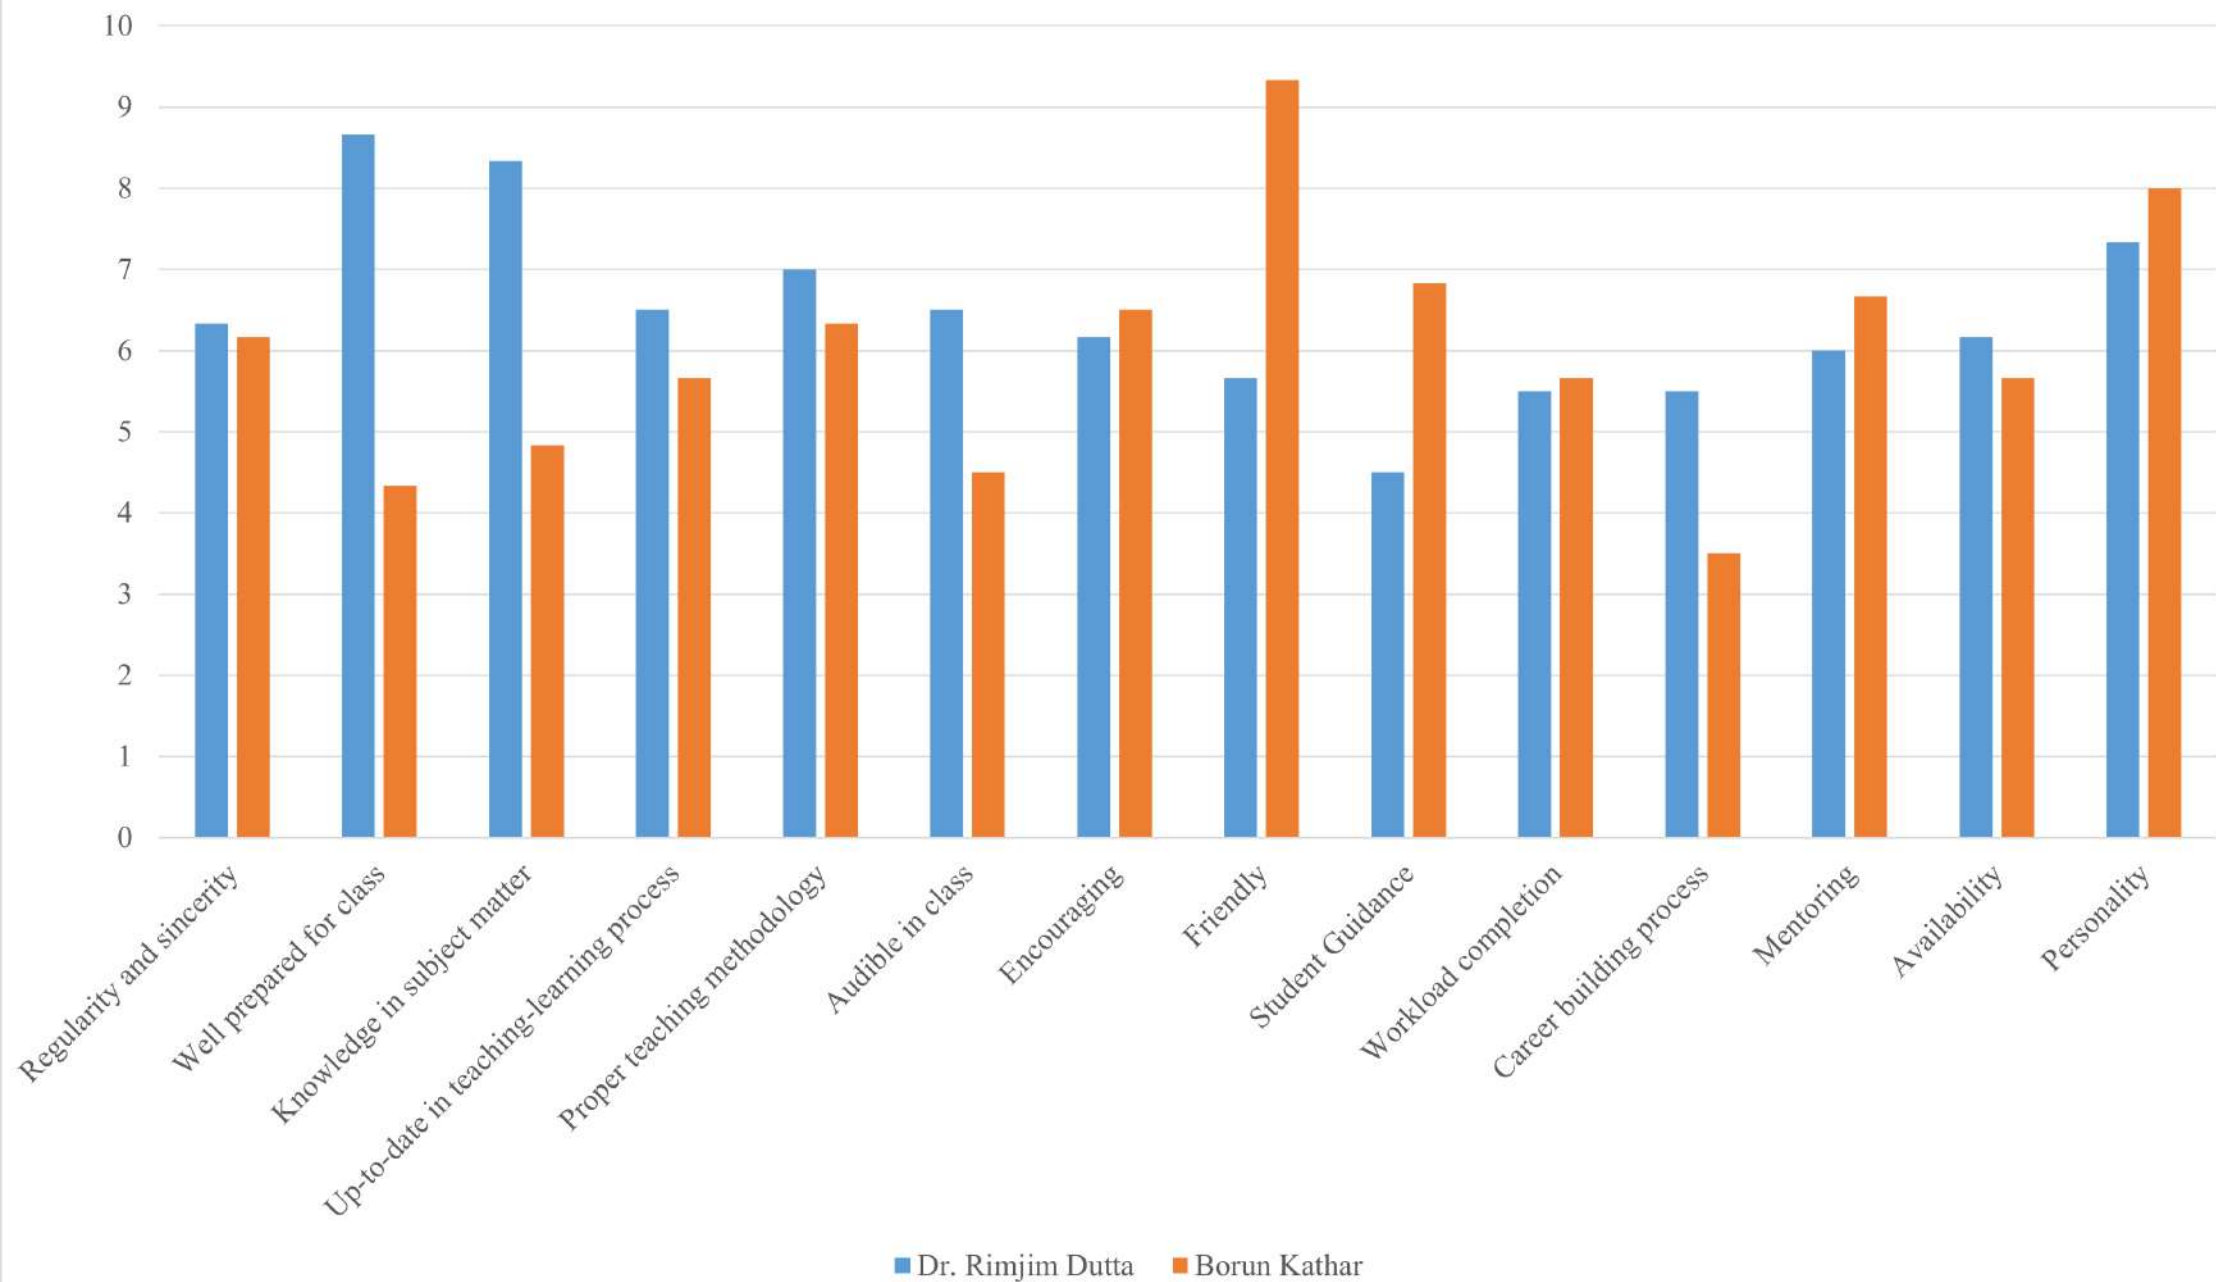

Counselling report of the student feedback

Student feedback on teachers have also been collected for the session 2021-2022. The feedbacks were collected from the 6th semester major students of the department of Botany, Chemistry, Mathematics and Zoology. However, feedback for Computer Science and Physics department could not be collected due to unavailability of the students. Like previous year, all together 14 questions were asked to the students and their responses were collected in hard copies. The students provided their feedback in the scale of 1 to 10. After obtaining the feedback score from the students, a mean value for each question have been calculated. The teacher having score level (mean value) below 8 points are informed and advised to improve the same from the next session. During 2020-2021 session there was all together 13 teachers were call upon for counselling, but this year it is necessary for only three teachers.
