Open Educational Resources (OERs)

Open Educational Resources (OERs) are the resources available in public domain with an open license. OERs fulfill the true aim of education, by democratizing learning and reaching out to those who cannot afford or access them.

These OERs though many in numbers are scattered and LRC has made an effort to organize and place them on one page with an aim to save your time and energy. Here, is a list of OER initiatives from India & abroad.
